A NEW COLOUR

Permanent colouring system without ammonia

Is an extremely versatile and complete system: allows you to perfectly cover white hair. To darken and lighten up to three tones and also allows you to easily change the reflection. A New Colour color translates into endless possibilities and is an ideal tool for the work of the colorist.

Features:

- AMMONIA FREE

To provide both the hairdresser who reviews a new and enjoyable experience because the delicate ammonia-free formulas provide an application from odourless and extreme comfort.

- NATURAL ANTIOXIDANTS

Formulations enriched with carotenoids and antioxidant properties of vegetal melanin and radical anti-long light hair.

- COMPLETE SYSTEM IS EASY AND FLEXIBLE

Allows you to perfectly cover white hair and thanks to its creamy formula is easy to mix , to apply and does not drip.

Benefits:

- HAIR SOFT AND HYDRATED

Thanks to its delicate formulation is enriched with emollient and moisturizing substances such as castor oil and carnauba wax

- VELVETY COLORS , INTENSE AND MULTIFACETED
- BRILLIANT COLOR FOR A LONG TIME

Thanks to: a natural powder metasilicate and rich in silica that biodegradable , due to its high refractive index , makes the colors bright and bright for a long time.
