MAJIREL COLORING CREAM BEAUTY

- Perfect coverage of white hair.
- Innovative technology: G Ionen Incell , two molecules patented by L , Oréal Professionnel , s Act on the three areas of the hair (and cortical part surface cuticle) reinforced deep and protecting the hair fiber.
- Deep color and perfect Treatment: hair is restored from the inside so the color is stronger; the hair is re-equilibrated from root to tip and then the color is perfectly uniform; the surface of the hair is smooth and protected so the color is definitely brighter.
