OXYGEN PASSION

oxidizing emulsion creamy and fragrant

This emulsion is the advantage of a more homogeneous and smooth texture which allows easier use.

Thanks to its creamy formula and the protective factors moisturizers, helps the Passion Colour without Ammonia Oil to protect the hair. Ensuring maximum results in the treatment of staining and discoloration, gives maximum shine and prolongs the life of color.

Available in 10, 20, 25, 30, 40 volumes, to allow for the widest choice of application, depending on the type of requirements, according to the result to obtain. Its fragrance makes it pleasant to use OXYGEN PASSION.

package : 1000 ml bottle.
