SO PURE NATURAL BALANCE

SO PURE: NATURAL BALANCE

A range of hairstyling products devoid of artificial polymers. Completely new is the exclusive use of natural fixatives aid in styling. The essential oils give the products a pleasant fruity aroma and natural. SO PURE styling products are suitable for all hair types and styles. All products have a natural aroma of essential oils of Orange and Palmarosa. The line consists of 5 products :

EARTH WAX - Wax seal media

The Earth Wax Wax is composed of pure clay, beeswax and vegetable oils and waxes. Create curls well defined and allows for easy hair makeover.

AQUA WAX - sealing wax medium

Establishes, monitors and creates styling for all hair types by adding an incredible brightness thanks to its natural components : Glycerine coconut and vegetable oil.

AIR FORM - foam sealing medium

A light foam treating styling that gives volume and adds natural shine. It consists of natural elements : Corn starch, Inulin, Wheat Protein.

CRYSTAL Defrizz - lightweight foam seal

Keeps hair smooth and control frizz during the drying process. Defines if the curly hair is dried naturally in air.
