LINE SMOOTHING THE FLAX SEEDS REPAIR THERMAL

Ideal to prepare the hair treatment with heat sources such as straighteners and hair dryers. It is a product with extracts of flaxseed. Paid on the hair creates an immediate anti-static anti-frizz effect giving a safe risaltandone brightness. To be used without rinsing.

method of use : Spray on wet or damp hair from a distance of about 20 cm. Proceed to styling you want. Exclusive for hairdressers.

box: 150 ml.
