COLOR MASK OROTHERAPY

COLOR MASK OROTHERAPY is the new range of professional lighting and revitalizing mask, enriched with 6 gold, keratin and Argan oil, for the production of endless colour effects, secure and customizable. COLOR MASK is suitable for natural hair, colored and highlighted hair and is ideal to liven up the color in a color and the other to illuminate with glisten whenever hair is present off, opaque and devoid of vitality. Enhances, intensifies, brightens and protects the color, nourishes, moisturizes and conditions the hair. The exclusive synergy of gold, keratin and Argan oil allows you, with just one product, to brighten the natural color and cosmetics industries, restructure the hair, counteracting the formation of free radicals.

directions for use: wash your hair with shampoo for hair condition OROTHERAPY and blot excess water with a towel. Wear disposable gloves, apply an appropriate amount of the product (approximately 20/30 ml.), gently and distribute with a wide-toothed comb. Leave on for 3 to 5 minutes depending on the desired intensity (increasing the shutter speed up to a maximum of 15 minutes, will increase the intensity of the reflection). Rinse thoroughly. The product does not dirty but we recommend that you do not apply it directly on the scalp.

packaging: bottle of 250 ml.
