CAPILLARY RESTRUCTURING LOTION - WITH PANTHENOL

LOZIONE CAPILLARE RISTRUTTURANTE - al pantenolo

The functional principle placental extract exerts a revitalizing action that helps to stimulate the skin tropism. For existing affinity with the skin and the tissues in general, the placenta extract promotes the stimulation of the hair bulb and tends to restore the biochemical balance, thanks to the association of pro-vitamin B, nettle and collagen. It allows you to achieve the best results in the treatment of hair brittle and weak, that they tend to break easily and fall, also helps to make them more elastic and voluminous.

CAPILLARY REVITALIZING LOTION - ginseng

In the composition of ginseng there are B vitamins, vitamin C, essential oils and amino acids, which give a general action revitalizing. It is a cosmetic product designed to restore the hair's natural beauty and vitality. Due to its formula enriched with active vegetable ingredients such as nettle, capsicum and panthenol that act in synergy with the glycolic extract of ginseng, carries out a refreshing and invigorating effect on the hair.

LOTION CAPILLARY FORTIFYING - royal jelly

Royal jelly is a source of both vitamins, including B1, B2, B6, that of free amino acids, which are important elements which constitute the protein chains contained in the hair fiber. It is particularly indicated for the treatment of the hair weak and brittle, as it helps to restore their natural body and beauty.

box: 10 ml vial in a box of 12 pcs
