action program Life Professional by Fama, consists of 2 steps :

ENERGIZING SHAMPOO ENERGIZING DROPS

Life balances the natural defenses of the skin with a purifying and energizing. The combination of the 2 products regulates the production of sebum and activates microcirculation to fuel cellular metabolism. The active ingredients contained in the vials are derived from the lemon and olive leaf, to the stimulating action of cellular metabolism, menthol for refreshing action on the skin while vitamin PP fortifies the hair fiber.
