SHAMPOO RAVVIVANTE

Based on Honey revitalizing shampoo is formulated to protect the brilliance of colored hair prolonging its life. In addition to gently cleanse, gives shine and softness to the hair fiber restoring the protein elements lost during the chemical attack and thus improve the surface condition of the hair.

box: bottles of 250 and 500 ml.

MASK RAVVIVANTE

It is a highly re-mineralizing treatment for colored and treated hair. Enriched with honey to prevent desiccation and argan oil to intensely nourish and enhance the color.

Rich in silicon complexes that form on the hair a shiny veil protecting it from atmospheric effects. The result will be a more beautiful color and brightness that lasts.

method of use : deploy on towel dried hair, leave on for 5 to 8 minutes, then rinse.

box: vases 250 and 500 ml.

SERUM BIPHASIC RAVVIVANTE

Hydrates and protects the color from UV rays keeping brilliant longer. Intensifies the brightness of the color, reducing the electrostatic effect.

method of use : after applying the color on washed hair, proceed with styling. Shake before use.

box: 250 ml bottle.
