KIDS LINE LINEA KIDS

EQUAVE KIDS 2 in 1 shampoo

Features and Benefits:

Hypoallergenic formula that contains ingredients specially selected according to the characteristics of the hair and skin of children.

- No added parabens : our line contains no preservatives recently challenged, such as parabens, formaldehyde and Methylisothiazolinone.
 - No sulphates : our line does not contain sulfates frequently used in many soaps, shampoos, detergents, toothpastes, etc..
 - No dyes : we are convinced that there are fewer chemicals in products for children, the better. Our products do not contain any type of dye.
 - Without allergens : allergens are substances that can cause an allergic reaction. Our products do not contain potential allergens.
- The line has been enriched with a fragrance of green apple, completely free of allergens.

How to use

1. Pump a small amount of product on the palm and massage on wet hair and scalp.
2. Rinse completely.
