BC: TIME RESTORE

It's the new line designed for mature women, which acts against the symptoms of aging of the hair, thanks to the innovative Q10 Plus Complex and Amino Cell Rebuild revolutionary technology. The new formula contains a higher concentration of coenzyme Q10 which stimulates the production of keratins missing, that make up the structure of the hair. The revolutionary technology AMINO CELL REBUILD also allows to reconstruct specifically the capillary internal cellular structure, returning in every type of hair strength, elasticity and shine.
