STRAIGHTENING-STRAIGHTENING CREAM ammonia-semi-permanent

Innovative direct-acting product able to straighten your hair without damaging the hair fiber. Minimizes the frizz and control unruly hair making them easy to comb. The absence of ammonia makes the product very delicate ' direct action if they recommend the use on colored hair. Takes about 8 shampoos.

way of use: apply to dry hair is distributing the cream with the help of a brush and a wide tooth comb. Start the application by approximately 1 cm from the root and proceed to the tip. Leave on for 15/20 minutes on natural hair or 5/10 minutes on colored hair with the use of dry heat source. Rinse and wash with acid pH shampoo.

packaging: tube 200 ml (2 applications).
