WILD GINGER

keratin intensive treatment

Professional treatment with KeraTriplex™ in two steps, ideal for dry, brittle hair, damaged by the sun, stressed or weakened by chemical treatments. Reduces the risk of breakage, increases the luster of the hair and prevents color fading.

Awapuhi, WILDE GINGER KERATIN INTENSIVE TREATMENT is a treatment that consists of two steps:

- **Step One** : concentrated vial to be used on damp hair after washing.
package : 10 ml vial.

- **Step Two**: skin care cream to nourish and repair the hair.
Container: 150 ml tube.
